 Summer Explorers Telephone #: (409) 550-5038

AHOY, MATEES!! The westerly winds have caught our sails and sent us in a new direction. You will find us due east; high and dry at St. Mark's Episcopal Church. The Church has graciously offered its facilities while we are under construction. Come aboard with the Summer Explorers of All Saints! We have some new teachers on deck with lots of fresh ideas and activities in the stronghold. So grab your friends, neighbors, out-of-town guests (not all campers need to be All Saints students) and come join the cruise. Rain or shine, Summer Explorers is fine!!!!

ATTENTION, PARENTS: Sessions are grouped by future grade (i.e. if your child will be in 4th grade next year, he/she may participate in 4th grade activities). Should your child have interest in a camp that is not in his/her age group, please get in touch with the instructor to see if admission is possible. Morning drop off will begin at 8:45 a.m. (unless noted otherwise) at the designated location. Please pick up at the classroom door at the times noted in each session. The school cannot provide supervision outside of this time frame. Please provide a sack lunch and drink if your child is doing two camps back-to-back; supervision will be provided.

Attached is the Registration Form. Each child needs his/her own form. Please complete and return with application fee to the Office by Monday, May 11, 2009. Additional forms may be obtained in the Office. If you are a student in need of service hours, we need you! Put a written note with your summer schedule in the office and you will be contacted. Your help is greatly appreciated!
