

How to watch our services without a Facebook account

At St. Mark's, we use Facebook Live to stream our Sunday services, teaching series, and Evening Prayer, but what if you don't have a Facebook account? Can you still watch? The good news is that the answer is yes. Even if you do not have a Facebook account, you can still access our online content. Here's how:

1. Go to the church website: www.stmarksbeaumont.org.
2. At the top of the homepage, you will see the St. Mark's phone number and email, then the Facebook "f" and the Twitter "bird." (If you are on a cell phone, scroll all the way down to the bottom of the screen.)
3. Click on the "f" to be taken to our Facebook page – no credentials required. Alternatively, you can click "watch here on Facebook" below the list of sign up links. Now you can watch our livestreams, videos, and access any of our posted information just as if you had a Facebook account.
